Retirement savings eligible for the credit

The Saver’s Credit can be taken for your contributions to a traditional or Roth IRA; your 401(k), SIMPLE IRA, SARSEP, 403(b), 501(c)(18) or governmental 457(b) plan; and your voluntary after-tax employee contributions to your qualified retirement and 403(b) plans.

Rollover contributions (money that you moved from another retirement plan or IRA) aren’t eligible for the Saver’s Credit. Also, your eligible contributions may be reduced by any recent distributions you received from a retirement plan or IRA.

Example: Jill, who works at a retail store, is married and earned $37,000 in 2017. Jill’s husband was unemployed in 2017 and didn’t have any earnings. Jill contributed $1,000 to her IRA in 2017. After deducting her IRA contribution, the adjusted gross income shown on her joint return is $36,000. Jill may claim a 50% credit, $500, for her $1,000 IRA contribution.
